

Trees Take Care Of Us

Coloring Book

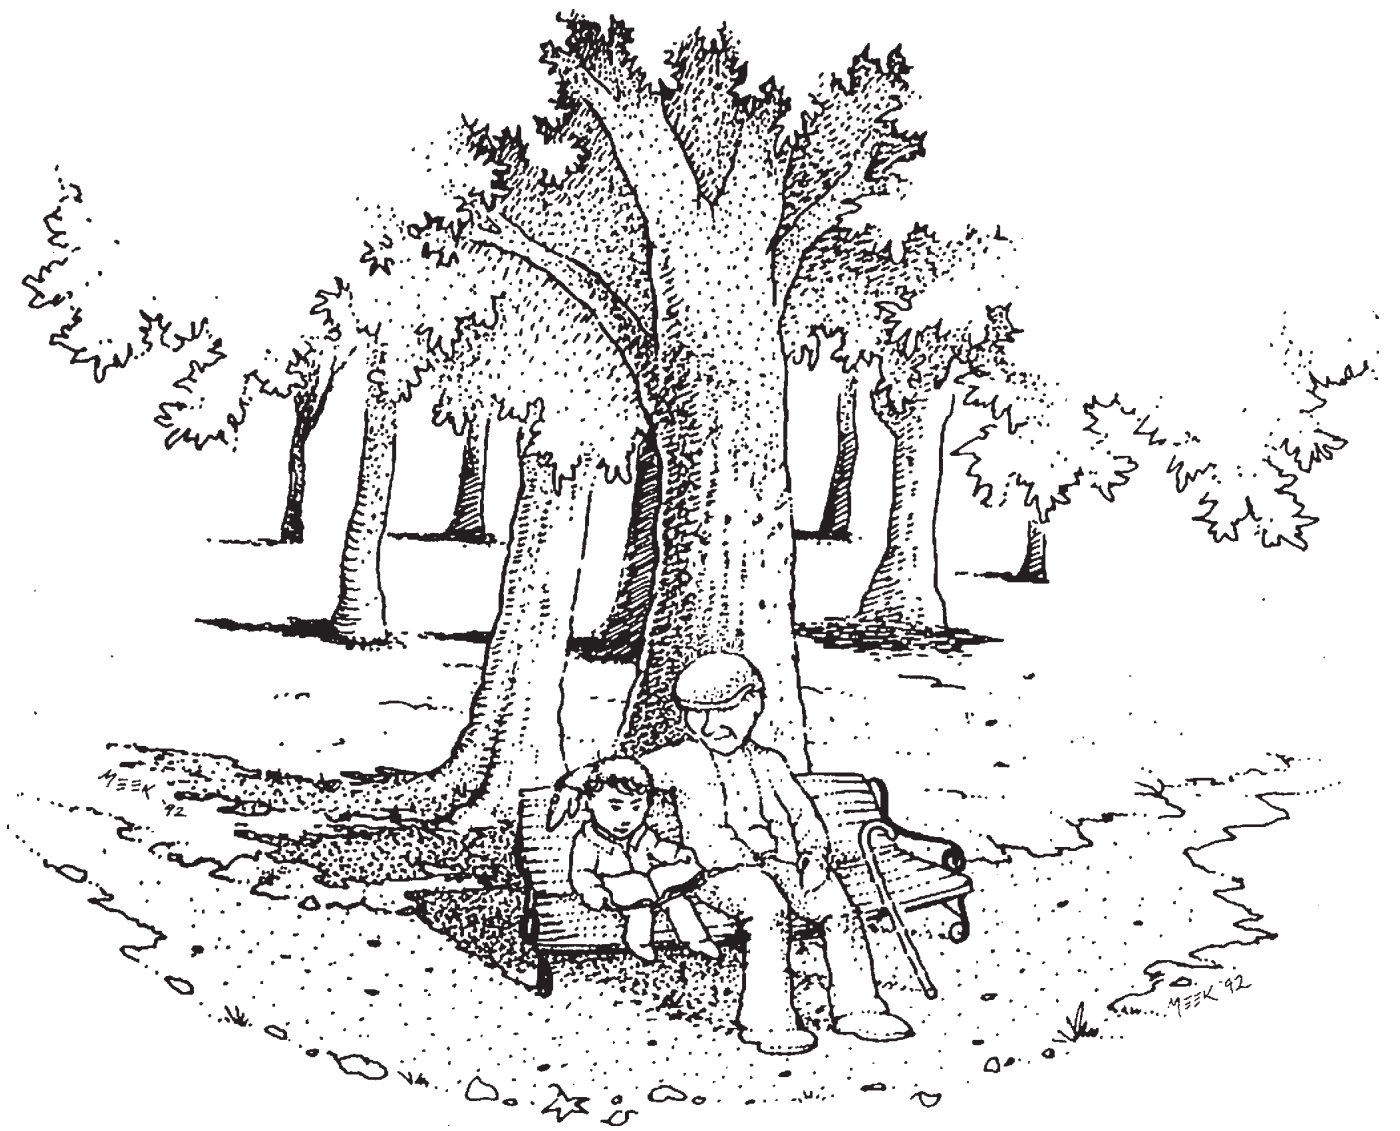

Story by:

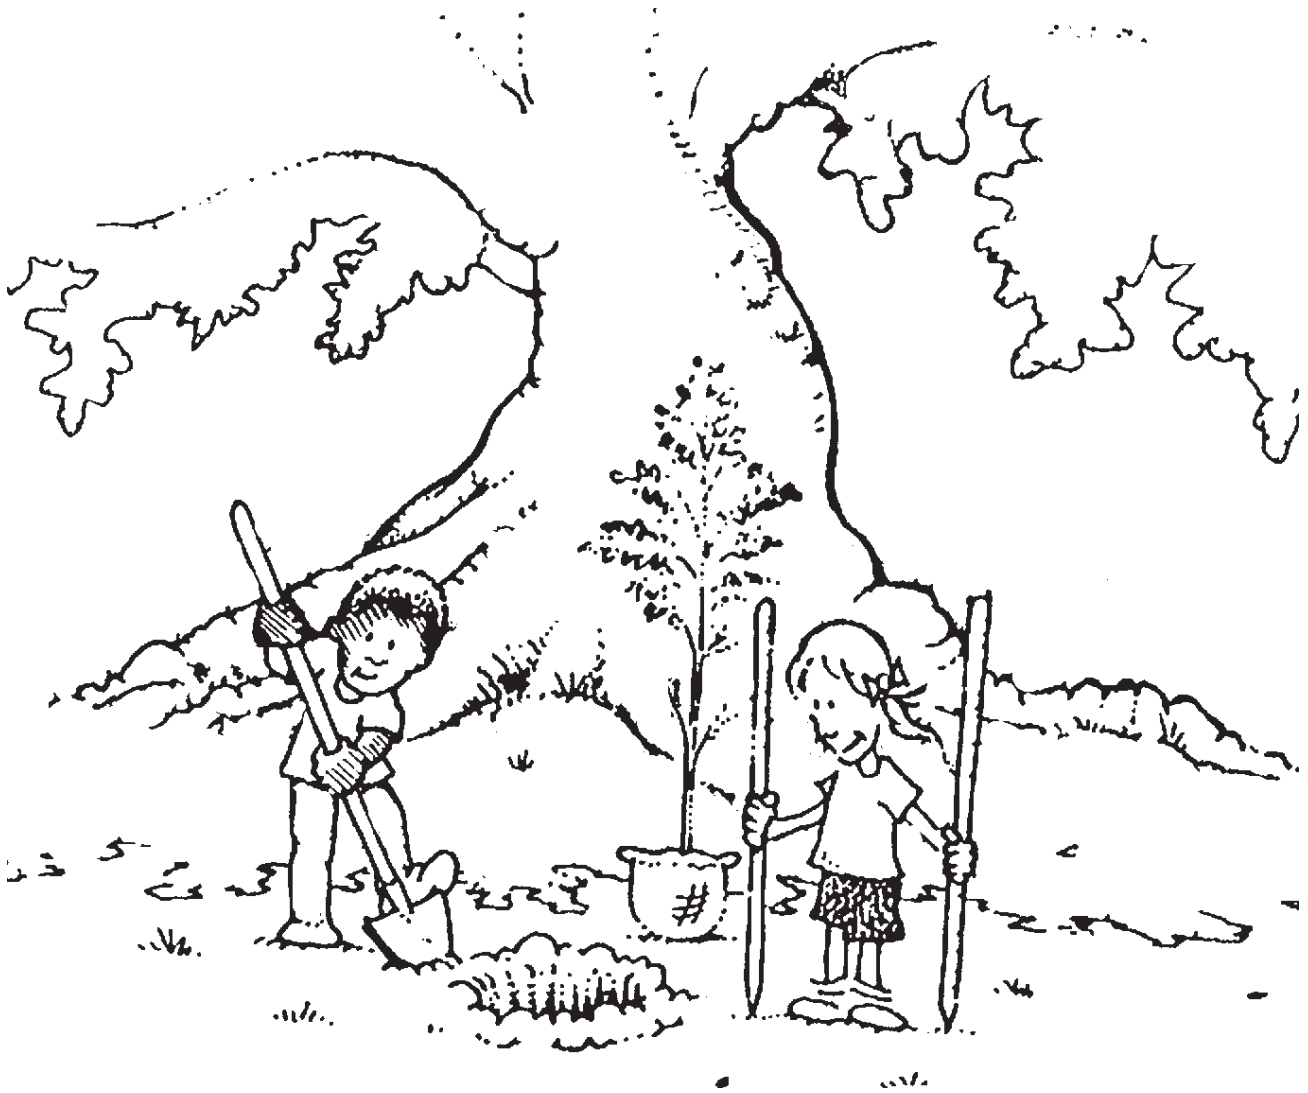

the Sacramento Tree Foundation

Artwork created and donated by Stan Meek.

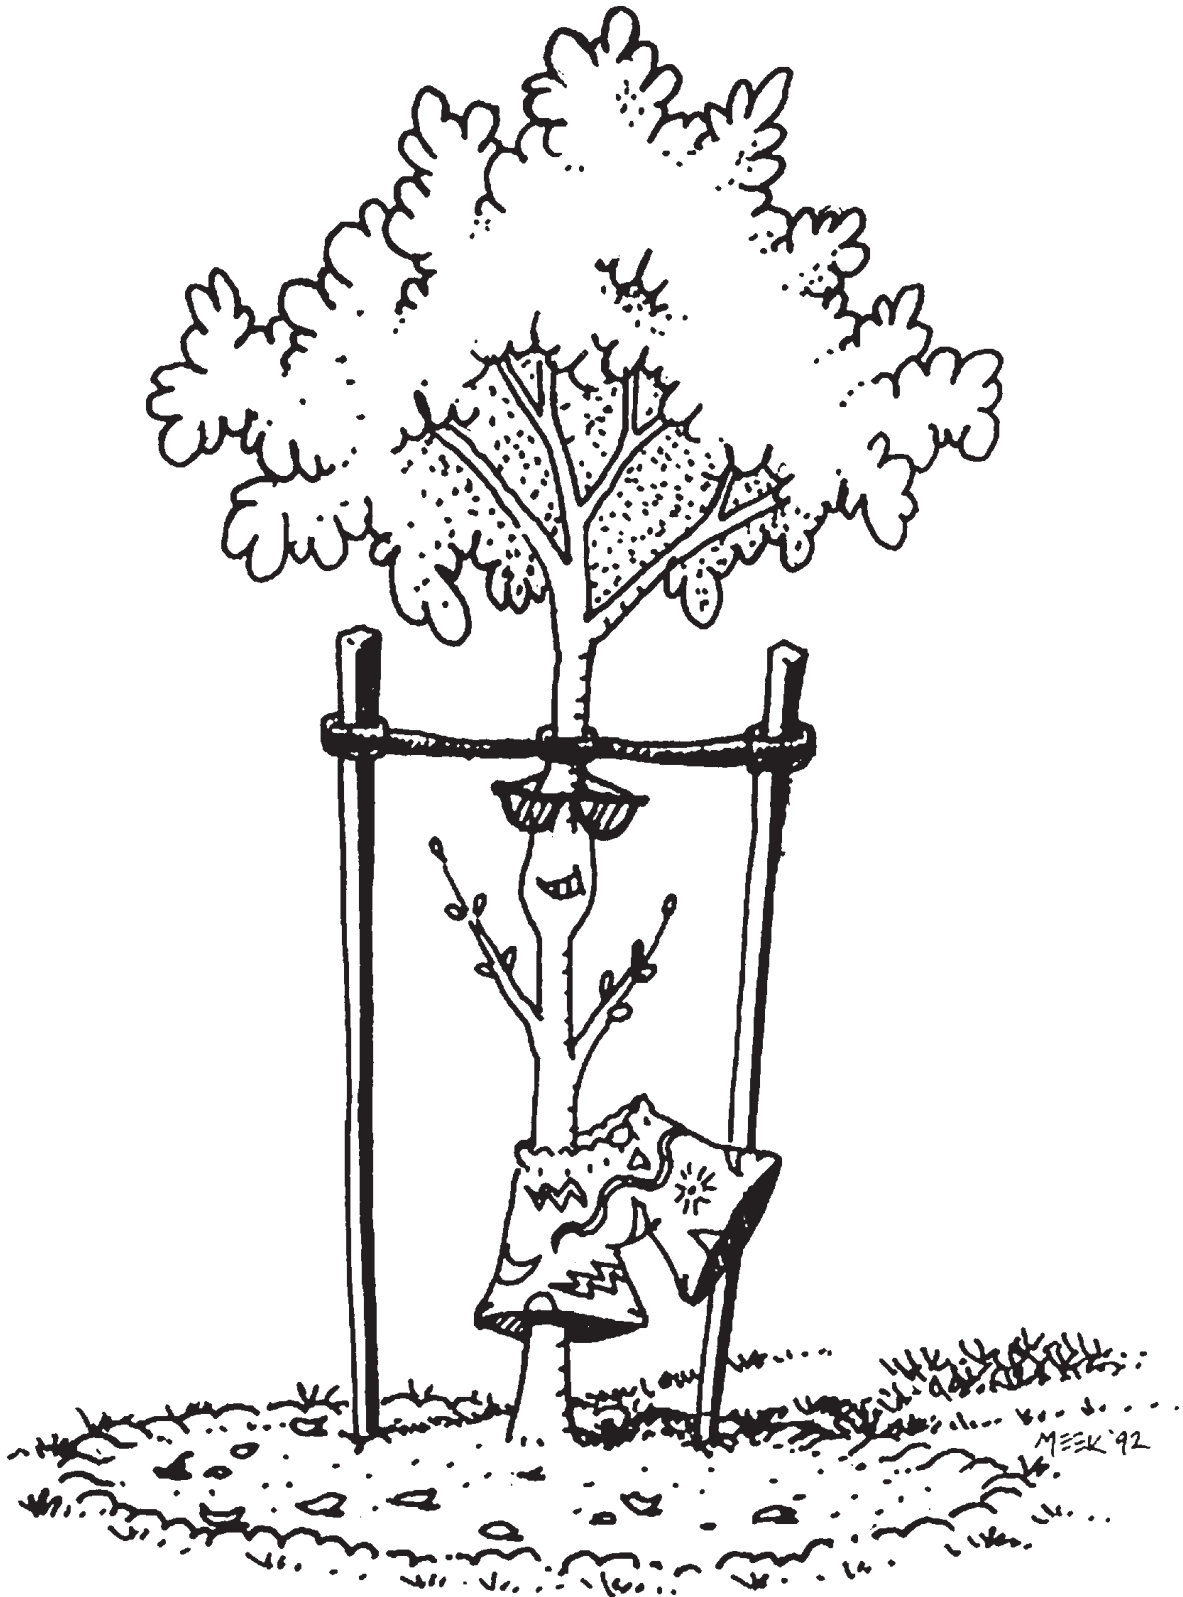

One day Grandpa and I
sat on a park bench and
this is the story he told
me:

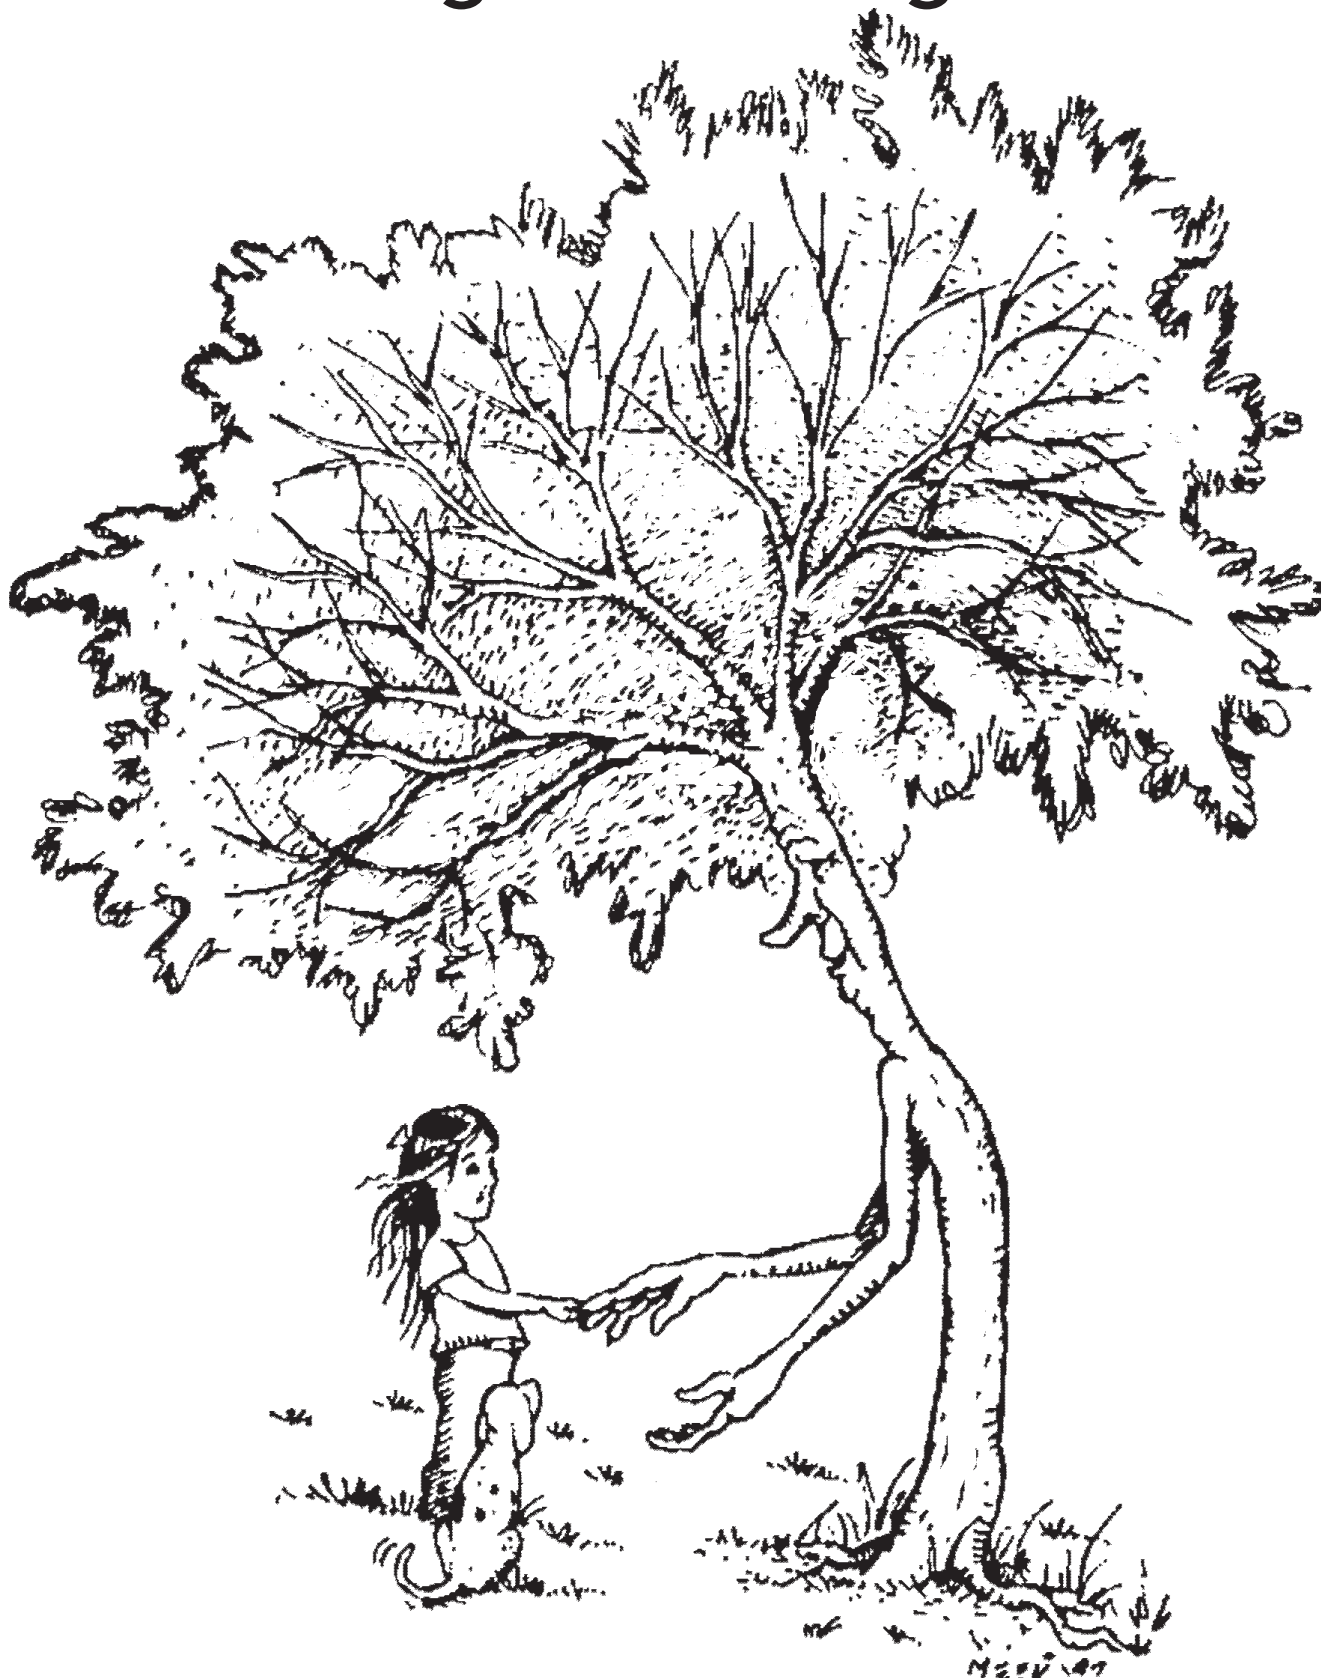

**“When I was your age,
I planted trees where
they had room to grow.**

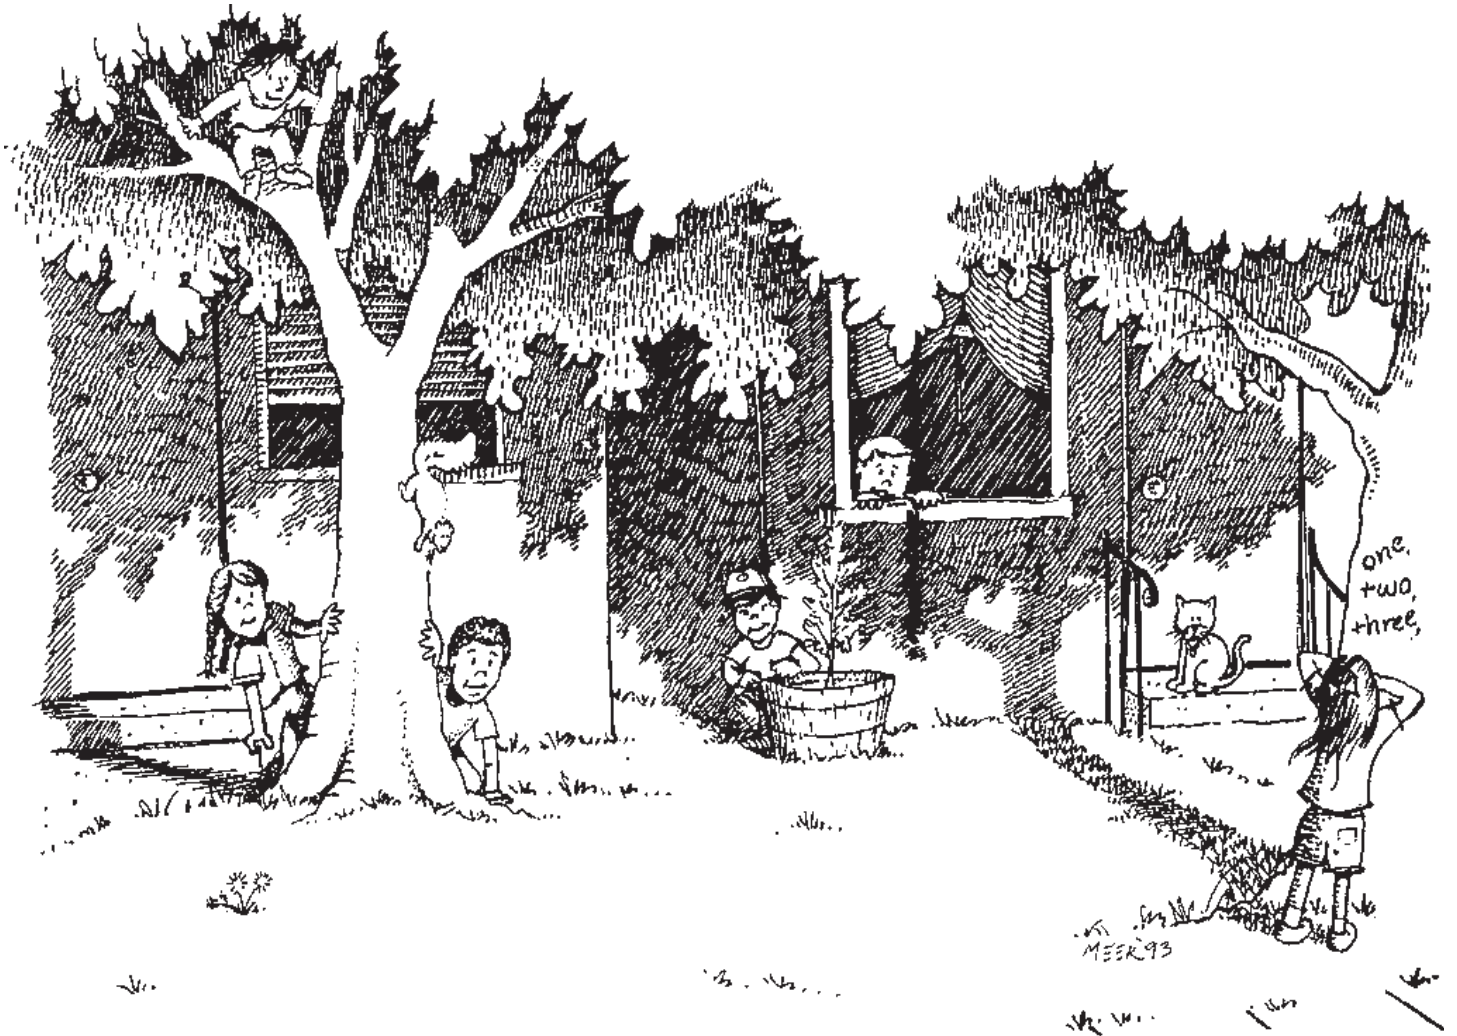

I watered the trees and
kept the weeds away.

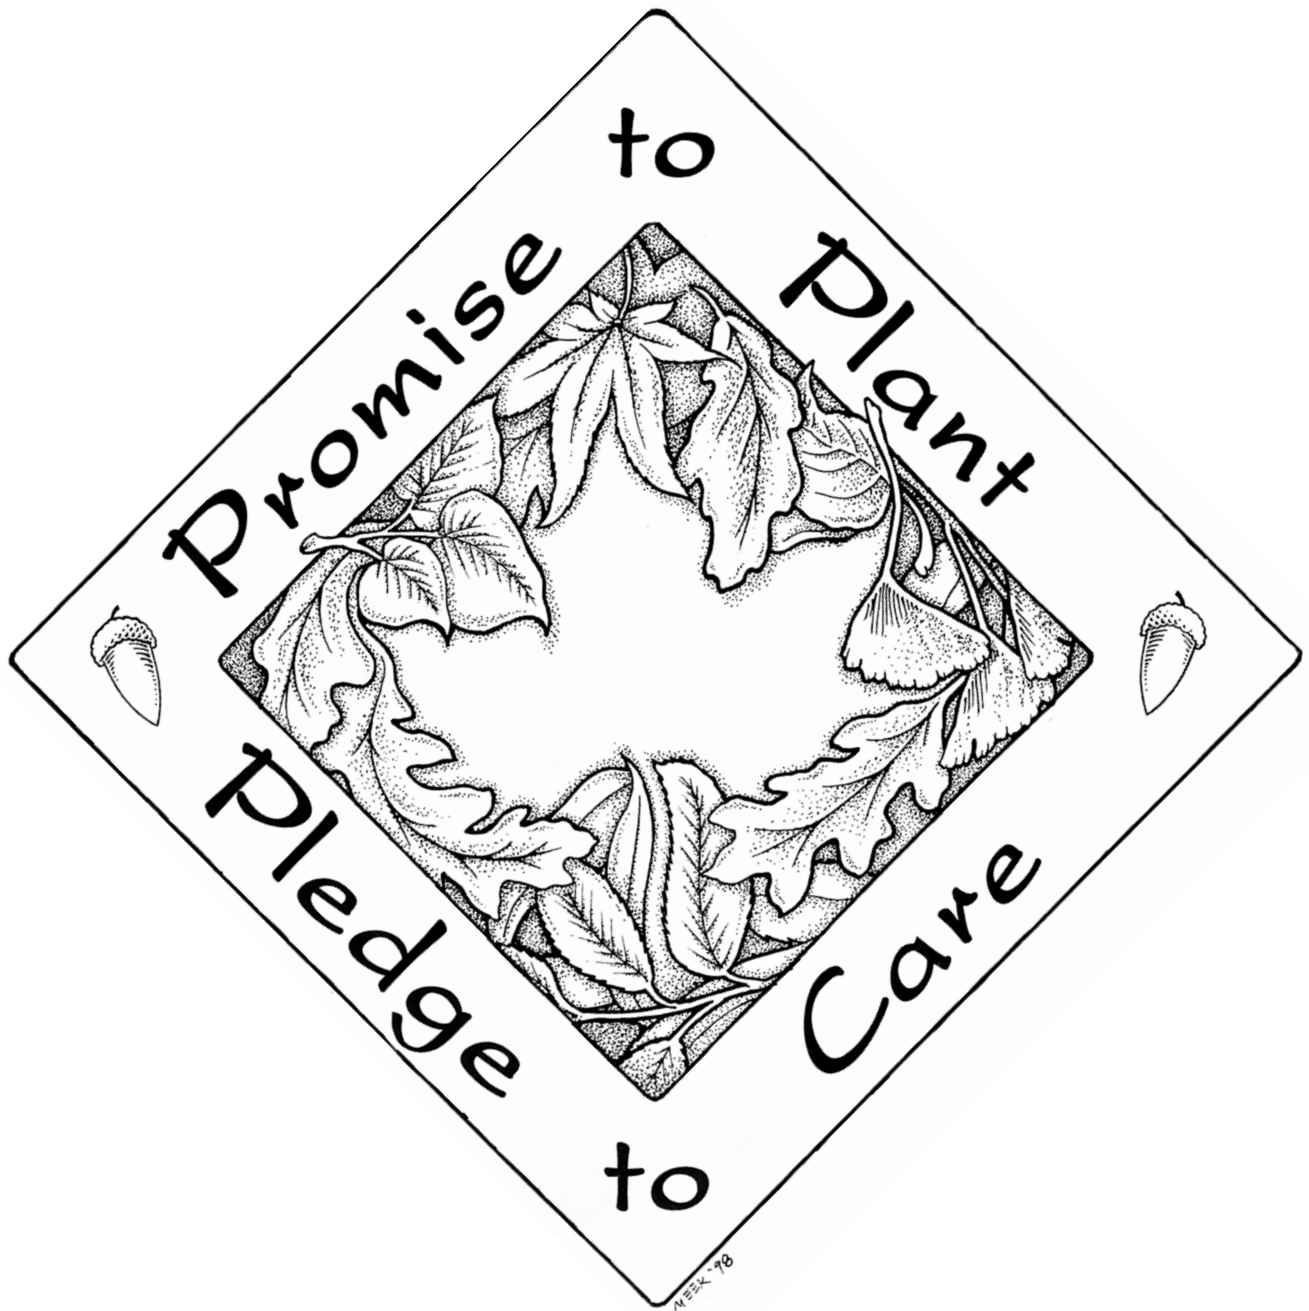

The trees thanked me
and grew strong.

My friends and I played
in the shade of the trees.”

My grandfather smiled and said,
“Trees need you
just as you need trees.”

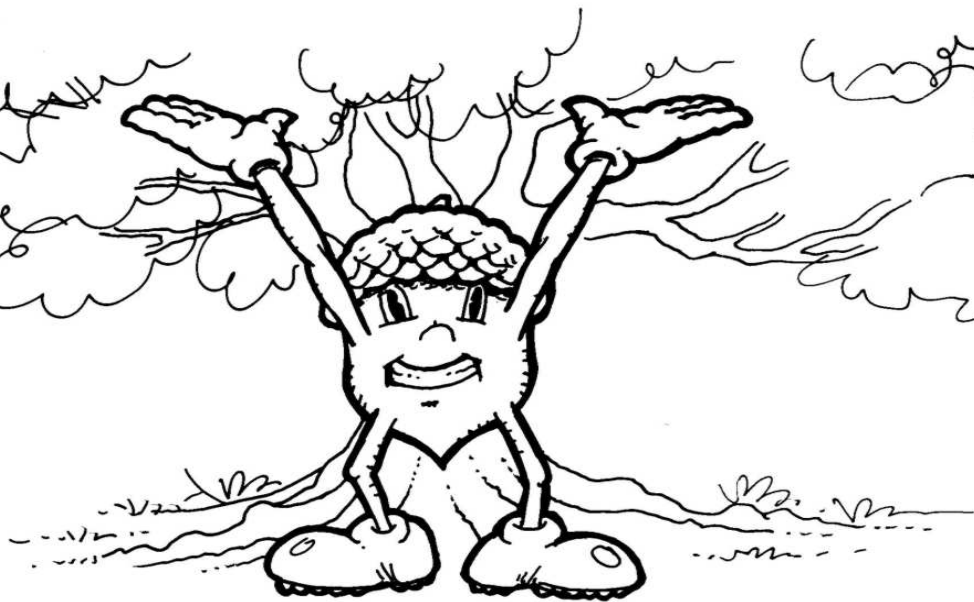

I promise to plant, care,
protect and be nice to trees.
