

# Water Smart Class

**It's the Perfect Time to Revitalize Your Landscape**

Thursday, October 17, 2019  
6:00 to 8:00 p.m.

Citrus Heights Community Center  
6300 Fountain Square Drive, Hall A  
Citrus Heights, CA 95621

**Now is the time** to transition your landscape from what has been to what is needed now — a landscape that is drought-resilient, resource-efficient, aesthetically pleasing, and functional.

## At this informative class you will learn:

- Ways to build and nurture healthy soil
- Strategies for keeping rain and irrigation water in your landscape
- How to select, place and install the right plants, lawn alternatives, and trees for easy care, function, and health
- Efficient irrigation strategies for new and maturing landscapes

## Plus:

- Landscape myth busters
- Examples of real-life revitalized landscapes
- List for adapting and caring for your revitalized landscape
- Refreshments and Froggy Moisture Meter

## Presented by:

Cheryl Buckwalter  
Landscape Liaisons

October workshop attendees will receive a **FREE Froggy Moisture Meter!**

**The class is free and open to the public. Sign up soon - this class will fill up quick!**
